Dear Mom + Pop,

We've never been very good about writing letters but lately we've been worse than usual.

We're taking a vacation from the 10th to the 16th. We're going up to Seattle first for a couple days and then honor you with a visit before coming home. We're going to leave here Tuesday morning and go straight to Seattle, spend Wednesday + Thursday with Dorothy + Dan, then

leave there early Friday morning and come down to Portland, spend Saturday and Sunday with you and come home Sunday evening.

We don't know yet what time we can get a train from Seattle to Portland but we want to leave early so we can have most of Friday with you.

Can we get a bus from Portland to Troutdale? And can we get a cabin or room there?

I'm anxious for you to see Chris. She has grown

up so much since we
were up there before.

From the looks of Coxy's
picture she has done plenty
of growing too. And she sure
is getting cute.

I've been trying to get Chris
to say Grandma + Grandpa
but ~~but~~ all my efforts have
been in vain.

I have to wash this
afternoon and I want to get
the house cleaned and dinner
started before then so I'd better
get busy.

Will write again and
let you know what time

to expect us.

What would you think about having a grandson in April or May?

Love,

Eric, Win & Chris

P.S. The pictures are some we had several of and didn't think you had.
