Dear Mom + Pop,

This is probably the final letter before the big move.

We have things all figured out so we can leave in 2 weeks. We sub-leased our house and they are buying some of our furniture.

Gil + Sibyl sold their other store and Sibyl moved down. She is going down to visit her mother this week.

Next week will be Win's last out there and we plan to leave on the 24th and visit Tom + Erma first. If Dorothy is back home from mother's we will go on up there before coming to the Caller.

Otherwise we'll come on over
from Portland. Then when
we leave we'll go down the
Dallas-California highway to
Klamath Falls, Sacramento, and
on to Covina. I think the trip
will be a lot of fun. I haven't
seen much of the country except
from the train and I'm sure
looking forward to it.

I have a million and one
things to do so had better
get busy. Will see you in a
couple of weeks.

Love,
Evel, Win + family.
